- I. CALL TO ORDER:
- II. INVOCATION:
- III. PLEDGE OF ALLEGIANCE:

**April 1st council meeting:** 

Motion: Second: Approved:

- V. OLD BUSINESS:
  - **A.** First reading of the resolution to increase water rates from \$17.00 to \$17.50 for the first 1000 gallons and each additional 1000 gallons would be raised from \$3.90 to \$4.00. Second and final reading will be at the June meeting and the new rates will go into effect in July to coincide when the County raises their rates.

Motion: Second: Approved:

- VI. NEW BUSINESS:
  - **A.** Kathy Yingling and her husband have purchased the property at 4692 Hwy 213 and have questions about putting a new manufactured home there (pitch roof, foundation, etc.)

Motion: Second: Approved:

**B.** Quik Stop has requested that the Town of Newborn start the process for what is required to have Sunday Sales on the ballot. would the Mayor & Council like the Clerk to talk to the County again about the possibility of the County handling the vote of Sunday Sales. (instead of a lump sum as submitted before, see if they will charge for the number of citizens registered in Newborn). There is no longer a place to vote in Newborn so citizens would have to go to Mansfield for the presidential election so why not get the County to add Sunday sales to the ballot for Newborn; otherwise, they would have to come to Newborn Town hall, then go to Mansfield.

Rough estimate on cost to Town for early voting/poll workers (3), election supervisor (early voting and day of voting), and poll workers day of (5) and printing of ballots and early voting ballots is close to \$12,000.00.

Also there has been an inquiry of the possibility of sale of liquor by the drink to help with any restaurant that may purchase the building at 4027 Hwy 142. Liquor by the drink would also have to be voted on by the citizens.

Motion: Second: Approved:

	C.	Demolition request from Mike Aiello, owner of building at 4027 Hwy 142. Not is planned at the moment, but he inquired what the procedure is if he does decid tear down the building and make it just raw land.  Motion: Second: Approved:
